Sunday Morning Attendance – January–September

Third Quarter Ministry Fund Giving

Between January and September, **\$373,778** was given to the Ministry Fund. That is 13.9% (\$45,549) more than in the same months last year. Thank you for your faithful generosity.

Expenses are on target at 97% of the budget to date, but giving is behind our goal of \$450,000 for this point in the year. As of September 30, the Ministry Fund has a deficit of **\$62,721**.

Facility Renewal

Phase 1 of our Facility Renewal is complete: the new roof is on, and the final payment to the contractor was made on October 7.

Since January, **\$479,959** has been given to the Building Fund. Together with an \$800,000 loan and cash reserves, these gifts paid for the roof. The loan balance was \$793,722 at September 30.

Spencer Vandeven led a team of volunteers in painting the auditorium's exterior metal

cladding, completing this year's exterior renewal work.

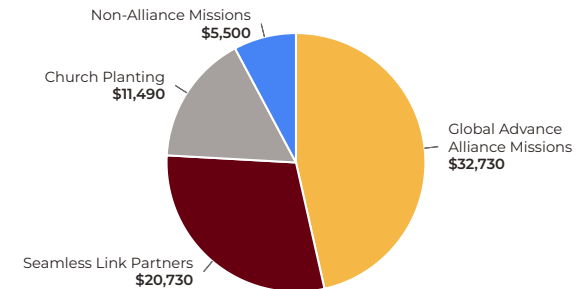

The Building Committee has been consulting with leaders and ministries across the church to gather ideas on what needs to be updated and renovated inside our building for phase 2 of our facility renewal.

Missions Giving

Monies given to Trailview's Missions Fund help people around the world encounter Jesus.

Between January and September, \$68,621 was received. That is **\$6,379 behind** our goal of \$75,000 for this point in the year, and 6.3% less than in the same months last year.

\$70,450 has been sent to our partners, as shown here.

Giving by E-Transfer

Besides cash and cheques, e-transfer is the quickest and most cost-effective way to give. The church pays no service charges on e-transfers, while gifts by credit card or through the Church Center app carry a 2–3% transaction fee. Send e-transfers to donations@trailview.org, and tell us how you'd like your gift used, either in the transfer's message or in a separate email to the same address.
